

## The Foothills Health District

The Foothills Health District based in Williamsburg, MA seeks an exceptional candidate for the position of Health Agent. This position is full time at 37.5 flexible hours per week Monday – Friday. The Health Agent work includes some evening meetings, Fridays in Housing Court, as well as being on call for emergencies when the work requires.

Main job responsibilities are: conduct all required inspections including, but not limited to, septic installation inspections, title 5 inspections, witnessing of percolation testing, food establishments, housing, swimming pools, recreational camps for children, family camps, investigating and issuing beaver trapping permits. Other duties involve investigating alleged public health violations, writing legally binding orders to correct independently, and/or in collaboration with the Inspector of Buildings, Firefighters, Police, and the DPW superintendent.

Qualifications: Bachelor's Degree and/or 5 years related experience in public health or environmental health. Current Registered Sanitarian (or qualified to become one) as well as state approved soil evaluator and food safety specialist designations preferred. Candidates should have, or be able to obtain within 2 years, the following: Department of Environmental Protection Soil Evaluator (CSE), Septic System Inspector, Certified Swimming Pool Operator (CPO), Certified Food Handler, as well as a reliable vehicle and a valid Massachusetts driver's license. The Foothills Health District offers an attractive benefits package including health, retirement plan and paid vacation, sick and personal time.

Salary \$50,000-\$55,000 depending on experience
